Difference between water cooling and air cooling

Cooling method	water cooling	air cooling
Ice making speed	fast, can make ice continuously for a long time	Slightly slower than water cooling
Usage scenario	In-store use	Out-store use
Body size	Small	Slightly larger
Noise	Almost no noise	Noise reduction design
Failure rate	Low	Very small fan noise
Environmental adaptation	Water connection required	Water connection not required

This is a practical commercial snowflake ice machine
