Goals with complete solutions.

Masala mixer machine

1.This machine has advantages of simplified operation, easy maintenance and low cost. It is the ideal equipment for tablet sugar coating.

2.Water chestnut mode sugar coating machine is mainly used for coating the tablets, pills and granules, it is also suitable for coating candy, peanut, nuts and chocolate products and so on.

3.It is widely used in pharmaceutical and foodstuff field.After coating and polishing, the surface of tablet is bright and smooth, which can prevent tablet core from oxidative deterioration, from being affected with damp or volatilizing, it also can covers the peculiar smell. So the tablet is easy for distinguishing and dissolving in human stomach intestine system.
