R.Riders Group Ltd. provides full-service support for industrial machinery, including sourcing, buying, delivery, installation, warranty, and training.

We help new entrepreneurs and businesses achieve their Goals with complete solutions.

## Oil Making Machine

This machine is advanced oil processing machine characterized by their simple design, easy to use, wide suitability and continuous operation; and high productivity and high oil output rate. Moreover, they can be used for various raw materials, as ground nuts, bean, rice bran, rape and cotton seeds, sesame, olive, sunflower, coconuts and cocoa and grass seeds. However, they are suitable for medium-small sized oil extruding workshops or professional farmers. Certainly, they can be used for repressing in submerging oil workshops, too.

# RIDERS Star Group Ltd.

- 1.High rate of oil yield:directional pressure,multi-step impelling,complete pressing once only.
- 2.High output:strengthened feeding system,fast process,high efficiency.
- 3Automatic temperature control:electric program control,scientific heating, and automatic control of temperature.
- 4Automatic oil filtration:under the principle of negative pressure of air,vacuum diverter is adopted for effective separation of oil and residue.
- 5.Safe and convenient:compact structure,small floor space;the transmission system adopts closed protection.
- 6.Beautiful:the machine is coated with the latest material through static electricity,with strong adhesion and grease and high temperature resistance. It's beautiful and easy to clean.
- 7.Durable:High quality wear-resistant steel and anti-fatigue castings ensure stable performance and long-term continuous work.

# RIDERS Star Group Ltd.

## Advantage:

High oil yield--compared with old-fashioned equipment, the normal oil yield can be 2 to 3 percentage points higher, and the economic benefits are very considerable.

Energy saving - the same output reduces electric power by 40%

Labor saving--the same output can save 60% of the labor force, and 1 to 2 people can organize production

Wide range of uses - one machine with multiple functions, can squeeze more than 30 kinds of oil crops such as peanuts, flax, sesame, rapeseed, oil sunflower, cottonseed, soybeans, etc. Multi-stage pressing, one time pressing.

Pure oil quality - Vacuum filter residues to ensure pure oil quality and meet health and quarantine standards.

Small footprint - the oil workshop needs 10-20 square meters to meet the needs.

The screw press machine is suitable for pressing sunflower, rapeseed, peanut kernel, soybean, coconut, corn germ, rice bran, tea seed, linseed, camellia seed, cotton seed, pepper seed, walnut kernel, tung seed, castor, almond, etc. Various vegetable oil crops such as oil crops.

OIL RESIDUE IS ALSO PRECIOUS

How to dispose of residual oil slag ?

For example, peanuts and soybeans oil slag can be used as food, bean skins, peanut pancakes, etc. and the rest of rapeseed oil slag residue can be used as fodder, can also be used to raise flowers very good fertilizer, these cake residue can be used twice, related industries in the market in the acquisition

1

## Control panel

Integrated control panel  
humanized design, automatic  
temperature control = simple  
operation

2

## Feed port

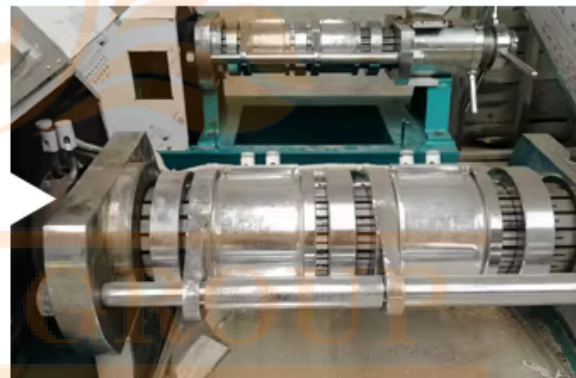

Automatic feeding, very  
convenient

3

## Press chamber

The use of wear-resistant  
materials, long service life

4

## Thickened lever

Operation lever thickened and lengthened Meet the ergonomics design

## Oil production line details

## ABOUT US

**Riders Star Group Ltd.** is your premier destination for sourcing, importing, and installing top-quality business machinery. With over 10+ **years** of experience in the industry, we've established ourselves as a trusted partner for businesses seeking reliable and efficient equipment.

Our commitment to excellence is reflected in every aspect of our services. From the moment you choose a machine to its installation and ongoing support, we're dedicated to ensuring your complete satisfaction. We offer a wide range of products, each backed by a **guarantee** of quality and performance.

Our team of experts is always available to provide **comprehensive training** on your new equipment, empowering your staff to maximize its potential.

Led by **Md. Towhidur Rahman**, CEO, Riders Star Group Ltd. is committed to delivering exceptional value and service to our customers.
